Tampa, Fl. 33637

Dear Nina,

This letter is in confirmation that Comlink Southwest is a Certified System Vendor (CSV) of BELDEN/CDT Inc. Comlink Southwest is authorized to market, sell and install the BELDEN IBDN Structured Cabling Solution to all of their existing and future customers in the industry.

Comlink has demonstrated their quality, professionalism and integrity in the ITS industry to acquire the above designation. Comlink Southwest has completed all the necessary training required by BELDEN/CDT in Design and Installation of the IBDN Structured Cabling Solution.

If you have any questions related to the above statements, please contact me directly @ 480-763-9785.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Ryan".

Stephen Ryan, RCDD
